Thank you both.

Supinder, I'm losing track – did we receive NJDEP comments on the latest draft of the FS? If so, and this is primarily a question for Juan, should we share them with Sally at this time, or wait until they are incorporated, as appropriate, into our full set of comments (as would be our more typical procedure)?

I don't know if we have received comments from DEP that have not been shared with Sally?
We have received the MOU. There is nothing else for us to say other than we received it.

I know what to say about the FOIA, but any thoughts on her other questions?

I'd like to get back to her today.

Thanks

Hi Stephanie, hope you had a nice summer! I just wanted to touch base and see if there are any other FOIA documents coming. Have you received any comments from DEP, is there any EPA response to the recently executed MOU, and is there any update on a new draft FS? Also, see attached email from the FOIA request. Could I please get the timeline referenced in the email. thanks. best, Sally
